AUTOMOTIVE WORKSHOP SERVICES

ABOUT **DULSCO**

DulSCO is a leader in the provision of Environmental Solutions, People Solutions, and Talent Solutions, that supports growth, bolsters commerce and creates a more sustainable way of life. What began as a simple stevedoring operation on the banks of the Arabian Sea in 1935 has today grown into a multifaceted enterprise serving public and private sectors across the Middle East.

The industries and organisations we partner with are many, but at DulSCO, we have a singular ambition – to power better communities.

In 2022, DulSCO Group acquired Parisima Talent, a strategic talent acquisition business. DulSCO Group continues its expansion in 2023 through its acquisition of Advance Global Recruitment (AGR), specialists in energy recruitment.

DULSCO AUTOMOTIVE WORKSHOP

DulSCO Automotive Workshop is a fully equipped workshop in Dubai, offering services like automotive repair and maintenance, vehicle testing, painting and restoration. With an area of 4,550 sqm, the workshop operates round the clock and has the capability to handle vehicles from small cars to heavy trucks and passenger buses, including

heavy equipment like cargo reach stackers, forklifts, and other industrial equipment.

Our highly trained professionals have all the required technical skills like mechanical, electrical, denting, painting, welding, and machining. Our administrative staff ensures seamless customer service 24/7.

SERVICES

It is crucial to find the best repair shop when facing mechanical issues, however, figuring this out can be a complicated and time-consuming challenge. That is why we provide our clients with peace of mind and a guarantee that our trusted and experienced mechanics will handle their automotive repair professionally and to the highest of standards.

TOTAL PREVENTATIVE MAINTENANCE CONTRACTS

Owning a vehicle is a long-term commitment and an investment that will often come with additional costs beyond the initial purchase value, in form of repairs, maintenance, and insurance. Having regular preventative maintenance is important, not only for the driver's protection and the safety of those around them, but also for maintaining a high resale value when it is time to resell.

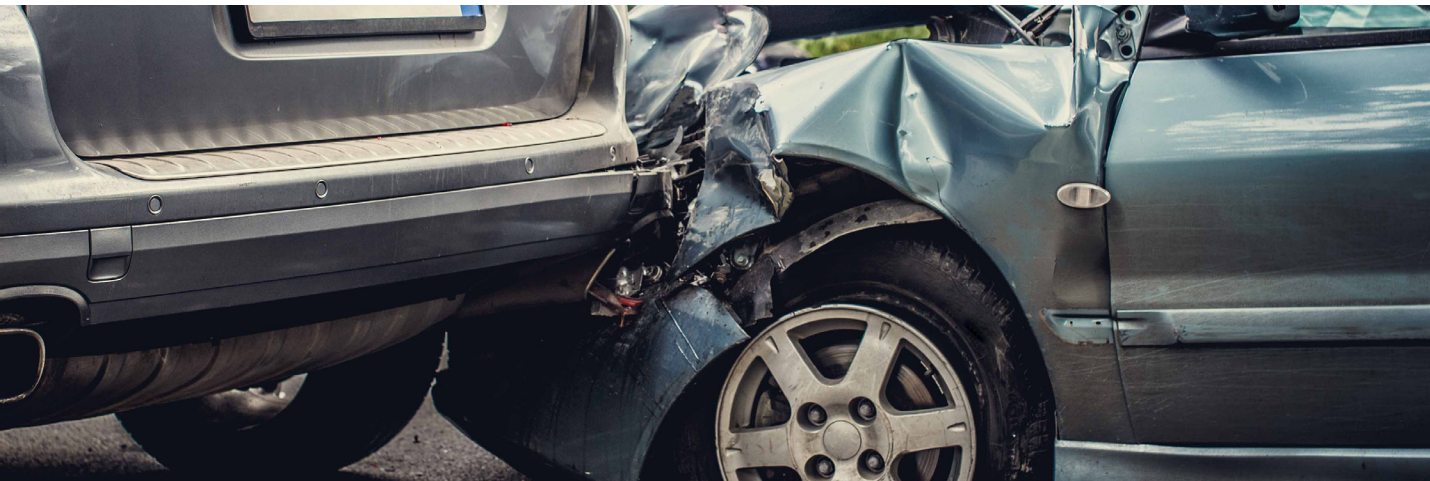

DulSCO workshop can provide minor/major servicing and long-term preventative maintenance contracts, for individual users and for large-scale commercial fleets.

A | General Preventative maintenance

B | Medium Preventative maintenance

C | Major Preventative maintenance

ACCIDENT REPAIRS

We offer full assistance to vehicles that have had an accident including mechanical repairs, fixing dents and scratches, and painting.

MECHANICAL REPAIRS

The Automotive Workshop offers a full range of comprehensive mechanical repairs including but not limited to the below.

Engine Repair, Overhaul and Rebuild	Tire Repair and Replacement	Engine Cooling System Repair
Over Heating Diagnosis and Repair	Electrical Diagnostics	Fuel System Repair
Transmission Repair & Replacement	Computer Diagnostic Testing	Emissions Inspection and Repair
Brake Repair and Replacement	Air Conditioning A/C Repair	Exhaust System Repair
Suspension System Repair	Battery Replacement	Paint Touch Up and Polish
Shock and Struts Replacement	Alternator and Charging System Repair	Interior Cleaning and Detailing
Steering System Repair	Bulbs and Fuses Replacement	Pre-Purchase Inspection

MACHINE SHOP

The workshop has all the necessary equipment with specialised operators working on any machining requirement that involves vehicle repairs, body works and general fabrication jobs.

PAINT BOOTH

Our semi-automatic paint booth caters to the painting of light and heavy vehicles. The fully enclosed paint booth abides to all local regulations.

OTHER SERVICES

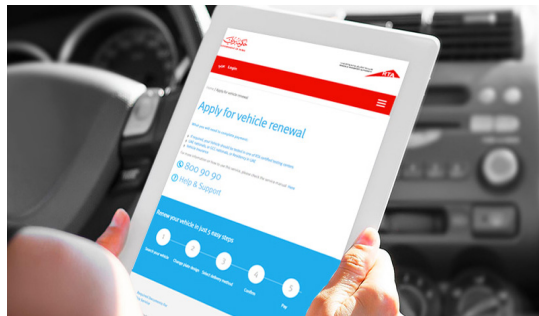

At the DulSCO Workshop, we pride ourselves on providing the most reliable and efficient service to customers in car recovery and RTA assistance.

RECOVERY AND ONSITE BREAKDOWN ASSISTANCE

We also offer recovery service and roadside breakdown assistance on call basis.

ROADS AND TRANSPORT AUTHORITY (RTA) ASSISTANCE

The workshop also provides RTA assistance, including services such as vehicle registration renewal, annual inspection, fine payment, lost number plate replacement, application for branding & color change permits, and permit to advertise on vehicles.

**24/7
SERVICE**

SUSTAINABLE PRACTICES

› Waste water created from vehicle washing is re-treated and reused for vehicle washing thus promoting sustainability in terms of water usage.

FLEET MANAGEMENT

At DulSCO, we have access to an extensive fleet of more than 350 vehicles, ranging from Forklifts and RCVs, to transport buses and waste collection trucks across UAE, in order to better serve our communities as best we can.
